

CIEH DASHBOARD

Charts

1. Course Status

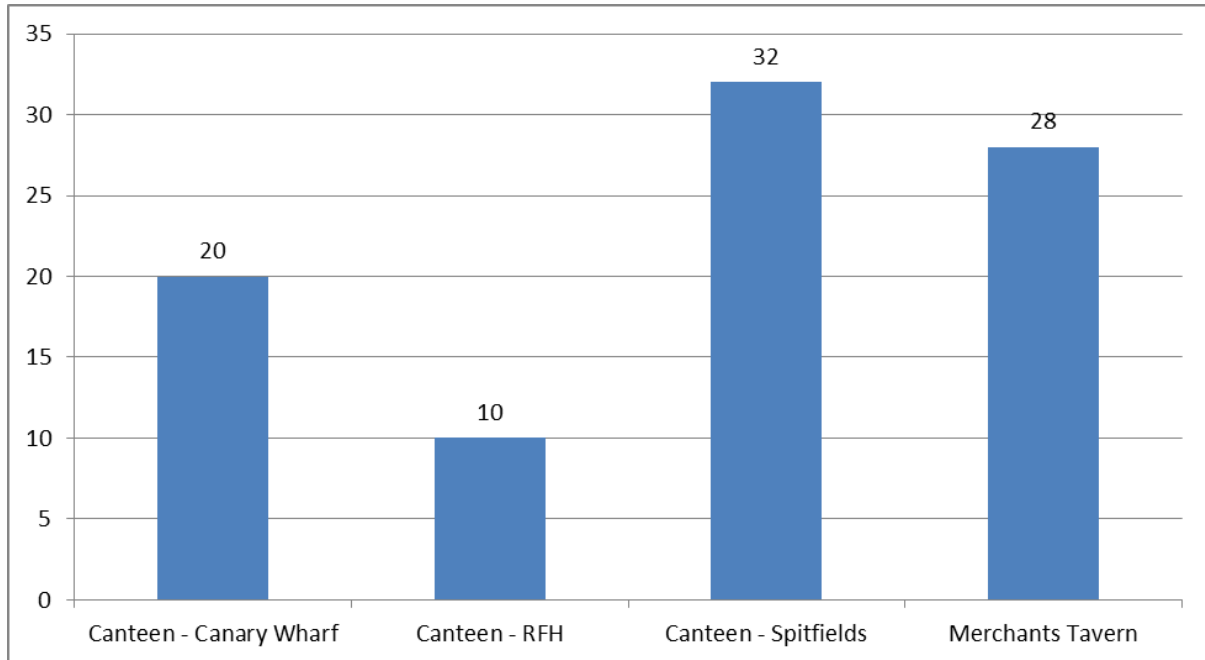

A pie chart showing the number of users who are 'Not Started', 'In Process' or 'Completed' for the selected course. The chart may be filtered to show particular clients, sites, or courses.

Client	Canteen	Site	All Sites
Course	CIEH Level 1 Food Safety		

2. License Consumption

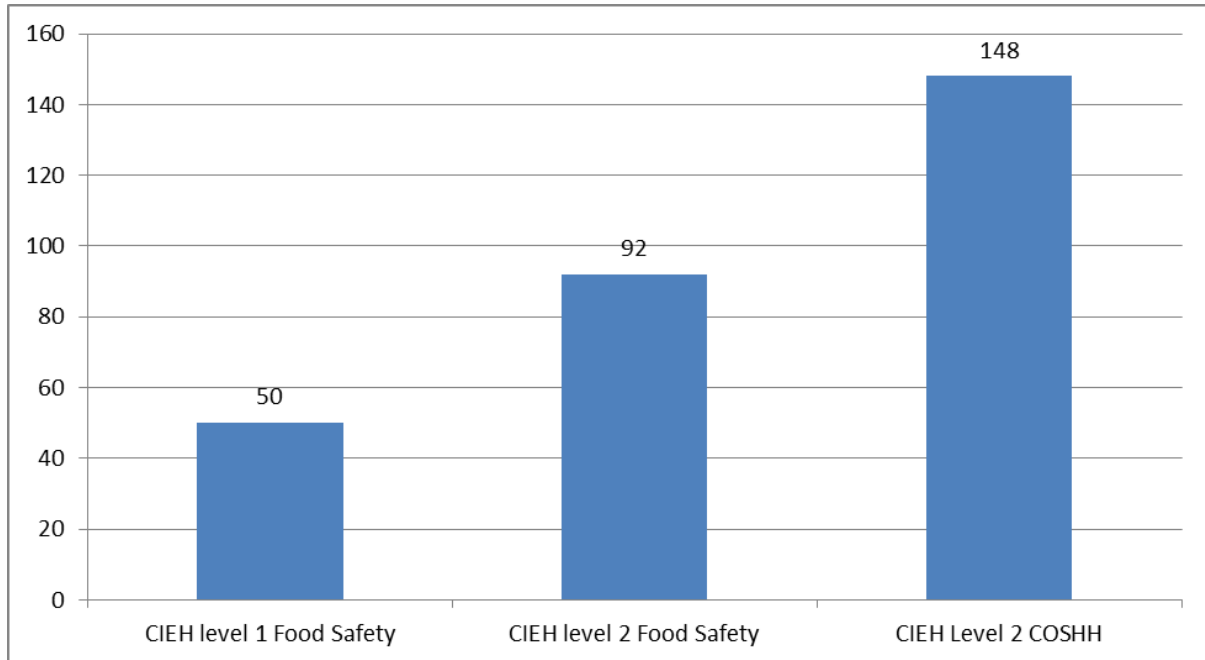

A bar graph showing the number of licenses used by each site that the user has visibility of. The user may select dates by which they wish to filter the report. The report will filter by the dates on which the user where assigned to the course.

Client	Canteen		
Licenses allocated between	01/06/2014	and	30/06/2014

3. Number of users on each course

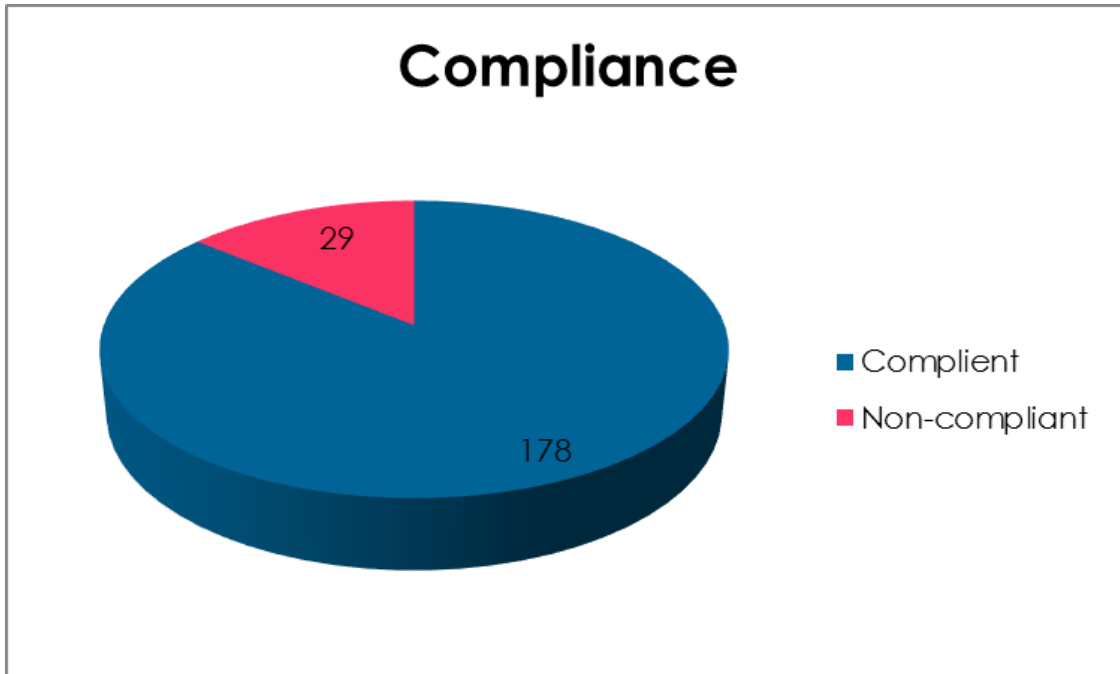

A bar graph showing the number of people enrolled on each course. The chart may be filtered to show particular clients, sites, or courses. It may also be filtered by the dates on which the users were enrolled on the learning programme.

Client	Canteen	Site	All Sites
Enrolments between	01/02/2014	and	30/06/2014

4. Compliance

A pie chart showing the number of user who are compliant (who have completed) and the number who are non-compliant (not started or in process) for a selected course. The chart may be filtered to show particular clients, sites, or courses.

Client	Canteen ▼	Site	All Sites ▼
Course	CIEH Level 1 Food Safety ▼		

The user may also view a list containing the names of all users who are compliant or non-compliant.

Click on pie chart.
